5 Day(s)	N/A	VILT	N/A	Project Management

Course Overview

Netcampus' s accredited PRINCE2 6TH EDITION Foundation & Practitioner virtual course contains all the required training and materials to fully prepare you for the Foundation & Practitioner examinations, in just five days. PRINCE2 6TH EDITION Foundation introduces you to the PRINCE2 6TH EDITION method whilst the Practitioner teaches you to apply and tailor PRINCE2 6TH EDITION to the running and managing of a project. This course strictly conforms to the 6th Edition syllabus. This is an intensive five-day course that prepares you for the PRINCE2 6TH EDITION Foundation & Practitioner examinations. The training is conducted via a virtual training environment via Microsoft Teams. You will receive your prereading courseware 10 days before course start to assist you in your preparations.

What is VILT?

Virtual instructor-led training (VILT) incorporates both the personal teaching experience of a classroom, with the ease and flexibility of a virtual environment. Our VILT courses are interactive and engaging, allowing participants to communicate with both the instructor and each other in a collaborative manner to make the experience very interactive. We utilize our specialized LMS system.
